## Stella Maris Mission Statement

“Stella Maris Roman Catholic Parish celebrates the Eucharist and all of the sacraments and spreads the Gospel to all parishioners and visitors, especially those in need, by being compassionate and willing to minister in a selfless fashion, by educating ourselves and by following the example set by Christ.”

### Parish Membership

Stella Maris Parish is delighted when new people want to join our parish and gladly welcomes them into our faith community. Contact Sr. Angela at the parish office.

### Adult Initiation

The Catholic Church is always enriched whenever any adult chooses to be Catholic. Adults wishing to be baptized, or baptized adults wishing to be confirmed, the RCIA program is available. Contact Mary Ellen Waldvogel.

### Marriage

A faith-filled wedding is a joyful time for the couple and the parish. Our parish wants to have all weddings here be the best possible. Parish members must meet with the pastor before a date can be reserved.

Please contact the parish office at least 12 months in advance to begin preparation.

### Infant Baptism

The baptism of new babies and young children revitalizes our faith community. Please contact the parish office to make arrangements for baptism.

### Ministry to the Sick

Everyone needs extra compassion and care when his or her health is not at its best. As a parish, we try to meet that need. Communal anointing Masses take place twice yearly, with individual anointing done when requested. Parishioners in the hospital, nursing home or other institution are encouraged to notify Sr. Angela at the office to arrange for visits or communion.

## Dear Fellow Parishioners

What a great event Spring Fling was for our parish and the community. The food was excellent with one of the best cooks in Door County in charge. I heard so many great compliments. The kitchen and clean up crews worked so hard. The meal was just the beginning. The silent auction and raffles were well stocked and participated in. We are grateful to all who collected the prizes and the businesses who so generously provided prizes. Spring Fling also created great feelings in the whole crowd of people who came together from all over the peninsula to enjoy each other's company. Catholics and non Catholics connected in a meaningful way. This kind of event shows our parish at its best. Thanks to everyone who did anything to make the event successful and memorable for everyone.

Our parish is great at coming together and meeting challenges that come our way. Every summer we gear up to handle a great increase in our numbers of masses and people attending mass. Every once in a while, someone will say to me that it is becoming too difficult to find volunteers in our parish for all that we have to do. Every parish can complain about the same phenomenon. It is not easy to fill all of the volunteer positions that a parish has, especially when we talk in that way. An optimistic outlook yields much better results and a more peaceful and joyous approach. I am thoroughly convinced that there are enough people to do whatever we are meant to do, with the gifts and talents that are necessary to accomplish the work of the Holy Spirit.

Most Catholic parishes have had the same approach to volunteers for many years. We just assume that the same people will do the same things. Actually we can be scared when new people show an interest in being involved in any way. When we think of filling a position we think of the same old people. The optimistic way thinks differently. In order for us to be empowered to better fulfill the ministry which Jesus Christ has entrusted to us, we first have to trust the Holy Spirit more. When we trust the Holy Spirit more, we do not have any preconceptions and we open our eyes to people we would have never thought of asking. We give special attention to new people entering the community or younger people who do not have much experience. We take time to listen to all of the people around us and hear the way that their unique abilities and interests can be utilized to enrich this community. We take our time so we come to know the true need of the parish and match the best person to fill it. We do not easily give up when it does not seem as if the right person is not coming forward, but wait for God to work in God's way. We reach out to people who have never thought that they had anything to share and help them to understand how much poorer we have been without them. Our parish is off to a great start but there is so much more that we can do, if only we keep just adjusting our basic approach. The Christian community is always at its best when it is inviting, welcoming, including, discerning, empowering and surrendering to God's will. The church is the temple of the Holy Spirit as we grow with the help of each person God has called.

In Christ's love,  
Fr. Dave Ruby, pastor

## Worship & Spiritual Life

**Today we celebrate the Solemnity of the Ascension of the Lord** and even though, in our fast-paced, instant messaging, twitter world, believe it or not, liturgically; we are still celebrating the Easter Season. The Easter Candle is still lit at Mass and placed near the Ambo as a reminder that we are still in the Easter Season until Pentecost. After Pentecost, the Easter Candle will return to its regular place near the baptismal font where it is displayed with honor. *Source: The Order of Prayer in the Liturgy of the Hours and Celebration of the Eucharist 2009*

In today's Gospel, Jesus gives us a directive and a responsibility, "Go into the whole world and proclaim the gospel to every creature." *Mark 16* As his disciples we have a responsibility to do just that and next weekend, when we celebrate Pentecost, we have that chance as Stewardship Month begins.

### To our Visitors and Seasonal Parishioners:

**Welcome and welcome back! We are so happy you are here!**

We want your worship experience at Stella Maris to be as meaningful as possible so here are several updates that have occurred since you were with us last:

We have new, permanent Hymnbooks: Gather Comprehensive II. This hymnbook begins with Daily Prayer, then the Rites of the Church, then The Order of Mass ending with the Hymns and Songs section. For ease in identifying, no page numbers are listed; only Hymn Numbers. **The Order of Mass begins at #134 – The Mass of Creation.**

As the Word of God is to be proclaimed, and our Lectors do that so eloquently, the Sunday readings are not included in these new hymnbooks. Copies of Sunday's Word Missalettes which include the Sunday readings are available for those who might wish to read the readings and they are available at the entrances of all our churches. We thank you for returning them back to the entrances after each Mass.

Here is a Prayer for Travelers from the Book of Blessings until you return back to worship with us at Stella Maris:

May God bless you with every heavenly blessing  
And give you a safe journey;  
Wherever life leads you,  
May you find him there to protect you. Amen.

### Memorial Day:

**This Monday, May 25<sup>th</sup> is Memorial Day. Morning Prayer held Monday mornings at 8 am at Fish Creek** provides a wonderful opportunity to remember and pray for those who have fought and died defending our country.

### Anointing Mass:

**Our parish Anointing Mass is this Thursday, May 28 at 1:30 pm at Fish Creek.** All are invited to partake in the beautiful and comforting Sacrament of the Anointing of the Sick at this Mass. Thank you.

## Faith Formation

**Liturgy of the Word with Children**, began this spring in Sister Bay. It has been received well. The children really seem to understand the word of God better when read to them at their level. We would like to continue this ministry during the summer months, but we need more help. The lesson plans are ready. I would be glad to meet with you and teach you how to minister to the children, I just need a few people willing to help. We need at least two adults at a time in order to be in compliance with the diocese on safe environment. It's a wonderful ministry and if there are **at least four people** willing to come forward we could easily continue. Pray about this opportunity to serve God. Please call me at (920) 854-5264 or email me at [faithchurch@dcwis.com](mailto:faithchurch@dcwis.com) thanks for all your support.

## Spiritual Renewal

## Stewardship

We are stewards who celebrate in song. We give prayerful thanks for Kathy Sedan and the Stella Maris choir who have shared their gifts, enriching our worship.

## Memorial Day Prayer

Dear Lord, on this day, we remember those who have served us by protecting our freedoms. When we celebrate our long weekend with our friends and family, help us remember, that our freedom to speak of you, and our freedom to worship you, and our freedom to do that which we ought to do, have all been bought at the price and sacrifice of many lives. Your Son died for our eternal life in heaven. So too, your children died protecting us here on earth. Help us be mindful this weekend and always of the sacrifices made by those in uniform for all our freedoms. Amen.

## Help Needed

**YOUTH ACTIVITY COORDINATOR**-Stella Maris needs an adult to facilitate activities for our youth in grade 6-12. Youth are very important to us so anyone who can give us 15 hours of time a week, we will compensate you and be very grateful. If you are a person of faith, you can do this job and do it well. Please contact the parish office and submit an application if you are interested or if you know of someone who would be good for us to encourage to take this position. The parish office address and phone number are on the front cover of the bulletin.

**PASTORAL COUNCIL VACANCIES**-The Pastoral Council will have four vacancies this spring. We are seeking interested Parishioners to fill these openings. If you would like to be a part of this group that works consultatively with Father Dave in many area of Parish life, please contact Dawn Janiak at [djaniak56@gmail.com](mailto:djaniak56@gmail.com) or (920) 868-1721.

## The Carpenter's Glasses

My mother's father worked as a carpenter. On this particular day, he was building some crates for the clothes his church was sending to orphanages in China. On his way home, he reached into his shirt pocket to find his glasses, but they were gone. When he mentally replayed his earlier actions, he realized what had happened; the glasses had slipped out of his pocket unnoticed and fallen into one of the crates, which he had nailed shut. His brand new glasses were heading for China!

The Great Depression was at its height and Grandpa had six children. He had spent \$20 for those glasses that very morning. He was upset by the thought of having to buy another pair. It's not fair, he told God as he drove home in frustration. I've been very faithful in giving of my time and money to your work, and now this.

Months later, the director of the orphanage was on furlough in the United States. He wanted to visit all the churches that supported him in China, so he came to speak one Sunday at my grandfather's small church in Chicago. The missionary began by thanking the people for their faithfulness in supporting him.

But most of all, he said, I must thank you for the glasses you sent. You see, the Communists had just swept through the orphanage, destroying everything, including my glasses. I was desperate. Even if I had the money, there was simply no way of replacing those glasses. Along with not being able to see well, I experienced headaches every day, so my coworkers and I were much in prayer about this. Then your crates arrived. When my staff removed the covers, they found a pair of glasses lying on top.

The missionary paused long enough to let his words sink in. Then, still gripped with the wonder of it all, he continued: Folks, when I tried on the glasses, it was as though they had been custom made just for me! I want to thank you for being a part of that.

The people listened, happy for the miraculous glasses. But the missionary surely must have confused their church with another, they thought. There were no glasses on their list of items to be sent overseas. But sitting quietly in the back, with tears streaming down his face, an ordinary carpenter realized the Master Carpenter had used him in an extraordinary way. There are times we want to blame God instead of thanking him! Perhaps we ought to try to thank Him more often.

## Holy Name Retreat House

Sometimes you have to get away so you can rest, renew, and refresh yourself. A retreat is just that kind of opportunity! Think of it as a gift to yourself-a time to get away from the hustle and bustle of everyday life-a time to care for your own body, mind and soul. By reflection, prayer and rest, you'll get re-connected and deepen your relationship with God, self and others. At a fraction of the cost of today's vacations, a retreat is an opportunity we hope you will seriously consider! For info call (920) 272-8296 or [mholloway@gbdioc.org](mailto:mholloway@gbdioc.org).
